OFFICE FURNITURE COLLECTION

ABOUT Kofs

Incorporated in 2009, Kofs is one of the leading furniture manufacturing organization in India. Today, providing complete office furniture solutions for all segments of market through its strong base of direct office locations in Delhi India. Kofs expertise lies in manufacturing and marketing extremely innovative and cost effective customized office furniture such as modular work stations, chairs, partitions, desks, conference tables, educational, laboratory, retail furniture and fixtures. Kofs has demonstrated Execution of mega and multi location projects without compromising on requirements of the customers. The company manufactures more than 10,000 chairs and 5,000 workstations in a month. Operating from factory space spanning more than 40 thousand sq. feet, the company has over 1000s esteemed customers pan India including giants like Tech Mahindra, BTP, Flipkart, Myntra, Jabong, NDPL, Food panda, Zomato etc. Kofs strategic direction begins with its core values: a passion for serving customers, serving members, embracing change, continuous pursuit of greater efficiencies and striving for unmatched excellence in quality.
